Agent [REDACTED] told me that you were taking over the investigation relating to the video death threats. I therefore provide this new information which may be of use.

There are two messages that have been discovered in a newsgroup where Scientology is discussed. These are threats to kill Scientologists. Here are the URLs where you can find the actual messages:

<http://groups.google.com/group/alt.religion.scientology/msg/9df85c2cd31b7141?dmode=source>

<http://groups.google.com/group/alt.religion.scientology/msg/07745813460756aa?dmode=source>

A new video was also posted on youtube today "anonymous vs. scientology - gmod," which depicts in an animated form, a person symbolic of Anonymous (headless person in a back suit), shooting 15 Scientologists (each is wearing a shirt with a Scientology "S" in a double triangle). The url is:

Special message to \$scientology: [REDACTED]

Wise beard man does make a lot of sense. It is good to achieve stuff
through demonstrations etc.

I have just watched this video: <http://www.youtube.com/watch?v=dwTDvfjcUJU>

I am outraged.

Anon are doing an excellent job raising media awareness through legal
means.

Good for them.

Whilst what I am advocating is maybe not be legal.. hey - atleast [REDACTED]

b6
b7c

But I prefer to [REDACTED] in a more direct manner. So I
repeat my earlier post:

Some ideas

- buy an unregistered sim and an unregistered handset using cash
- Call their numbers (to jam up their phone lines) during business hours. Maybe we can set up a rota so their phone lines are jammed all the time. (this will prevent people from making appointments.. it will prevent business/suppliers contacting them and will also provide lulz)

More on phones

- is it possible to use a bluetooth phone combined with software so that it calls Sci numbers and jams up their phone lines?

If you work in a shop

- at an internet cafe (or using a proxy + someone else's internet connection) use other people's Visa & Mastercard numbers to order \$cientology books etc.
- When the person notices this on the statement, they will contact their credit card company and do a 'charge back'. This will result in serious financial loss for the cult. Multiply this by 100 hundred. (imagine : their relationship with visa & mastercard damaged)
- THE \$CIFAGS DON'T ACTUALLY GET THE MONEY UNTIL VISA/MATERCARD VERIFY THAT IT'S A LEGITIMATE TRANSACTION.

In person - DDoS

pose as a member of the public. Do the 'stress test'. Watch the movies. Don't do anything silly or illegal. Just waste their time. Every time you are there you are preventing them making money from gullible people. (Imagine if 100 of you decided to do it in one day - they will be inundated with people. At first they will get excited at the prospect of making \$\$\$)

Sign up for catalogues, junk mail etc.

If hundreds of us do it they will be receiving massive amounts of post every day.

People who work for BT, Electric companies, Banks

- be careful as you are likely to leave an audit trail even if you just look at an account
- it would be very useful to know the account numbers for their phone lines, gas, electricity etc
- We would need this to expedite a disconnection.
- Are there any engineers who know how to disconnect electricity / gas using physical means
- It would also be very useful to know their bank account numbers, sort codes etc.

Drive by eggings

- yes, this is silly and childish.
- Get someone under the age of 12 to throw eggs as scientologists from car windows. Even if the police catch you there is nothing they can do.

IRC

- I can chat by IRC but I am not aware of a way to hide my IP

address.

Any ideas? Mac and/or PC advice needed please.

DDoS

- Can we keep doing this please? All the time. It is lulzy.
- Prolexic must be making a tonne of money out of this - good for them. Surely there is only so much bandwidth they can handle? What if we each send such a few megs of data to the main scientology website everyday - it would hurt them financially

[REDACTED]
- Just ignore this batshit crazy bitch. She's really irritating and is spamming this newsgroup.

Do some auditing but then don't pay

- if they complain YELL 'RAPE!'

Carphone Warehouse have some excellent deals on Sim cards & phones. Pay with cash.

Remember to remove the battery when the phone is not in use. Triangulation could, in theory, be used to trace your location. Bare in mind also that calls are probably being recorded. So never use your own voice - it could incriminate you.

Jam their phone lines or simply WASTE THEIR TIME. TIME = MONEY. A CUMULATIVE EFFECT WILL BE WORTH IT.

Imagine if the next high school shooter (remember Virginia Tech?) to spare the kids and aim for the Scientologists instead!!!! That would be fucking funny.

It is \$\$\$\$\$ that keeps this cult running day to day. Keep loading their websites. Run up their bills. It will hit their profits - FUCK THEM.

b6
b7C

note to authorities: this messages was posted using someone else
wireless internet account. Scientologists are all faggots so fuck them
anyway.

Listen up faggot,

I am not affiliated with Anonymous in any way, shape or form. tbh, I think they are pussies for stopping DDoS / illegal activities.

My fantasy would be to fly over your grounds in a helicopter & spray machine gun bullets at you all. Die, mother-fuckers.

I really hope the next nutcase shoots up a Scientology cult centre (instead of a high school). In fact, I hope some gays rape you all & you die of AIDS.

Re: 279B-LA-249870-THREAT, 03/10/2008

For information, March 13 is the birth date of L. Ron Hubbard, the founder of Scientology. Churches of Scientology are planning events from 03/13/2008 to 03/15/2008 in celebration of that date. The group "Anonymous" has indicated through open sources that protests of the Church of Scientology are planned for 03/13/2008 to 03/15/2008.

Due to the date of the pending threat (03/13/2008), FBI LA is vigorously investigating the origin of this threat. Especially in light of the hoax powder letters, FBI LA would appreciate your assistance in this matter. Therefore, it is requested that this lead be treated as immediate.

RE: ANONYMOUS;
WHITE POWDER LETTERS SENT TO
THE CHURCH OF SCIENTOLOGY

Dear Sir or Ma'am,

The Federal Bureau of Investigation (FBI) is conducting an investigation into a telephonic bomb threat received by World Bank headquarters in Washington D.C.

Background:

For background, on 01/30/2008, at least twenty-four envelopes containing white powder and a one-page letter were received by numerous Church of Scientology locations in Southern California. Each envelope had an attached typed/printed label, which was addressed to "Scientology" with corresponding address. There was no return address on the envelopes. The letter contained in the envelopes indicated that the group "Anonymous" claimed responsibility for the mailings. The white powder was tested and the results indicated that the powder was benign.

I have no idea what their true cause is. I spoke to a Special agent with the Air
Force today. He said he had heard of the group and that he believed they had
threatened to blow up all the Scientology locations in the US. I don't know where
he received his information. Anyways, I thought it was worth passing over to you!

Thanks much and have a great day.

Hey [redacted] I don't think I can do anything with this unless they threaten someone for
their cause. What is their beef? Are they against Scientology? If so, why? Any
what does the Berlin Wall have to do with anything? Curious. I tried to read L Ron
Hubbard's book, once, and it was over my head. [redacted]

taping at the Berlin wall while wearing masks. I made contact with [redacted] and his wife [redacted] along with their friend [redacted] said they were making a video protesting the L. Ron Hubbard Scientology group and that they had protested against the group yesterday (Saturday) in Hollywood, CA. [redacted] said he wore the full face mask today so the Scientology folks wouldn't be able to identify them when they posted the video on You-Tube. His wife said the same, as she wore a [redacted] mask. [redacted] further stated that his group had a video posted on You-Tube called [redacted] and that his You-Tube account number was [redacted]. I warned these folks that it was illegal for them to make a political video on the Federal property without the permission of the Foundation and had him erase the video, I believe. These folks were very cooperative.

It should be noted that [redacted] is on probation for a drug related charge and has no warrants (checked with Ventura County Sheriff's to assure he wasn't wanted) and his wife [redacted] works for Kern County, as a mental health worker. I completed an incident report and thought I should contact you right away in case your anti-terrorist folks are working these people, as it might be a few days before they forward the report.

I hope this may be of help!

REASON: 1.4 (B)
DECLASSIFY ON: 04-23-2037

Dear Sir or Ma'am,

The Federal Bureau of Investigation (FBI) is conducting an investigation into a telephonic bomb threat received by World Bank headquarters in Washington D.C.

Background:

For background, on 01/30/2008, at least twenty-four envelopes containing white powder and a one-page letter were received by numerous Church of Scientology locations in Southern California. Each envelope had an attached typed/printed label, which was addressed to "Scientology" with corresponding address. There was no return address on the envelopes. The letter contained in the envelopes indicated that the group "Anonymous" claimed responsibility for the mailings. The white powder was tested and the results indicated that the powder was benign.
